

## TECHNICAL DATA SHEET

### Eurovent **FIX METAL 35/370**

The Eurovent<sup>®</sup> FIX METAL 35/370 snow guard bracket is made of galvanized steel with a TOX connection. It is used as a fastening element for snow guards on pitched roofs covered with panel metal roof tiles with a 370/35 mm module, such as Metro Shake II, Pruszyński Regle, Novatik Premium, Harnaś, and Blachotrapez JANOSIK. Available in several color versions coated with powder paint according to the RAL color palette. Mounted on roof slopes with a pitch from 15° to 60°.

PARAMETER	UNIT	VALUE
Material composition		Steel grade S235JR
Type of roofing		Panel metal roof tile
Thickness of paint coating	[µm]	≥ 60
Corrosion protection		Hot-dip galvanized
Thickness of zinc coating	[µm]	≥ 55
Color	[RAL]	brick 8004, brown 8017, brown 8019, anthracite 7016, black 9005, chestnut 3009, cherry 3004
Packaging	[pieces]	5

## TECHNICAL DATA SHEET

### Eurovent **FIX METAL 35/370**

**Application:** Mounted to the roof covering, i.e. metal roof tiles, as well as under the batten using screws.

**Safety:** The product is not intended for consumption, avoid contact with eyes, and in case of skin irritation consult a doctor.

**Storage / transport:** The product should be stored in dry, covered rooms, free from moisture and direct UV radiation. Under heavy load, the product may deform, warp, or damage the galvanized and painted coating. Therefore, stacking with other heavy products (both during transport and storage) is not recommended. Transport should be carried out in covered vehicles, secured against damage. During transport, transport safety regulations must be observed. The product must be protected against chemical agents, particularly solvent-based substances, as they may reduce its technical parameters or cause permanent damage.

The product is covered by a warranty provided that the guidelines contained in the technical data sheet are strictly followed. The manufacturer reserves the right to refuse warranty claims in case of non-compliance with these guidelines.

*Contained information, advice and guidance is given based on our knowledge, researches, experience and in good faith. We are not responsible for the consequences of improper or incorrect use of our products. Each user of this material will ensure in every possible way, including an examination of the final product in the relevant conditions, the suitability of supplied materials to achieve the objectives pursued by him.*
