

TECHNICAL DATA SHEET

Eurovent **FIX TUBE UNI**

The Eurovent[®] FIX TUBE UNI snow guard pipe bracket is made of galvanized steel sheet. It is used as a fastening element for attaching a snow guard pipe to the roof covering. Available in several color versions coated with powder paint according to the RAL color palette. Mounted on roof slopes with a pitch from 15° to 60°.

PARAMETER	UNIT	VALUE
Material composition		Steel grade S235JR
Dimensions	[mm]	3 140
Bracket length	[mm]	approx. 28
Fin height	[mm]	ok. 28
Steel sheet thickness	[mm]	180
Hole diameter	[mm]	Ø 37
Hole spacing	[mm]	ok. 47
Color	[RAL]	brick 8004, brown 8017, brown 8019, anthracite 7016, graphite 7024, black 9005, cherry 3004, chestnut 3009, cherry 3011
Corrosion protection		Hot-dip galvanized
UV resistance		Resistant
Packaging	[pieces]	5

TECHNICAL DATA SHEET

Eurovent **FIX TUBE UNI**

Application: It is used as a bracket for the Eurovent[®] SNOWSTOPPER snow guard. Serving as a protective element, it enables the proper fastening of the snow guard on pitched roofs covered with profiled metal roof tiles with a 400 module. The bracket is mounted together with the Eurovent[®] SNOWSTOPPER snow guard by pressing and bending the fastening element using the “click” technique.

Safety: The product is not intended for consumption, avoid contact with eyes. In case of skin irritation, consult a doctor.

Storage / transport: The product should be stored at room temperature, in its original packaging, in dry, covered rooms free from moisture. Under heavy load, the bracket may deform and warp. Therefore, stacking with other heavy products (both during transport and storage) is not recommended. Brackets should be transported in covered vehicles, secured against damage. During transport, transport safety regulations must be observed. The product must be protected against chemical agents that could reduce its technical performance or cause permanent damage.

The product is covered by a warranty provided that the guidelines contained in the technical data sheet are strictly followed. The manufacturer reserves the right to refuse warranty claims in case of non-compliance with these guidelines.

Contained information, advice and guidance is given based on our knowledge, researches, experience and in good faith. We are not responsible for the consequences of improper or incorrect use of our products. Each user of this material will ensure in every possible way, including an examination of the final product in the relevant conditions, the suitability of supplied materials to achieve the objectives pursued by him.
