

## TECHNICAL DATA SHEET

### Eurovent **FIX UNI**

The Eurovent<sup>®</sup> FIX METAL VENECJA snow guard bracket is made of galvanized steel with a TOX connection. It enables the installation of a snow guard on metal roof tiles with a VENECJA module. Available in several color versions coated with powder paint according to the RAL color palette. Mounted on roof slopes with a pitch from 15° to 60°.

PARAMETER	UNIT	VALUE
Material composition		Steel grade S235JR
Type of roofing		For flat roof coverings
Thickness of paint coating	[µm]	≥ 60
Corrosion protection		Hot-dip galvanized
Thickness of zinc coating	[µm]	≥ 55
Color	[RAL]	brick 8004, brown 8017, brown 8019, anthracite 7016, graphite 7024, black 9005, cherry 3004, chestnut 3009, cherry 3011
Packaging	[pieces]	5

## Eurovent **FIX UNI**

**Application:** It is used as a bracket for the Eurovent® SNOWSTOPER snow guard. Serving as a protective element, it enables the proper fastening of the snow guard on flat roof coverings of pitched roofs with a slope from 15° to 60°. The bracket is mounted together with the Eurovent® SNOWSTOPER snow guard by pressing and bending the fastening element using the “click” technique.

**Installation:** Mounted directly to the roof structure using an additional counter-batten with screws or directly onto the roof decking.

**Safety:** The product is not intended for consumption, avoid contact with eyes. In case of skin irritation, consult a doctor.

**Storage / transport:** The product should be stored at room temperature, in its original packaging, in dry, covered rooms free from moisture. Under heavy load, the bracket may deform and warp. Therefore, stacking with other heavy products (both during transport and storage) is not recommended. Brackets should be transported in covered vehicles, secured against damage. During transport, transport safety regulations must be observed. The product must be protected against chemical agents that could reduce its technical performance or cause permanent damage.

The product is covered by a warranty provided that the guidelines contained in the technical data sheet are strictly followed. The manufacturer reserves the right to refuse warranty claims in case of non-compliance with these guidelines.

*Contained information, advice and guidance is given based on our knowledge, researches, experience and in good faith. We are not responsible for the consequences of improper or incorrect use of our products. Each user of this material will ensure in every possible way, including an examination of the final product in the relevant conditions, the suitability of supplied materials to achieve the objectives pursued by him.*
