

TECHNICAL DATA SHEET

Eurovent **SUPPORT METAL 20/350**

Single-piece bracket for the installation of chimney platforms and chimney steps, made of galvanized steel. It is used as an element enabling easy installation of a chimney platform or chimney step on roof coverings. Available in a galvanized version and in several powder-coated color variants according to the RAL color palette.

PARAMETER	UNIT	VALUE
Material composition		Steel grade S235JR
Type of roofing		For concrete and ceramic roof tiles (with additional sealing foam)
Paint coating thickness	[µm]	≥ 60
Corrosion protection		Hot-dip galvanized
Zinc coating thickness	[µm]	≥ 55
Color	[RAL]	brick 8004, brown 8017, brown 8019, anthracite 7016, graphite 7024, black 9005, cherry 3004, chestnut 3009, cherry 3011
Packaging	[pieces]	10

* on request

Eurovent **SUPPORT DECRA 20/350**

Application: It is used as a roof communication element enabling efficient installation of the Eurovent® PLATFORM chimney walkway or the Eurovent® STEP chimney step on roof coverings made of concrete or ceramic tiles. When installing the Eurovent® PLATFORM chimney walkway, the universal Eurovent® GRIP fastener must also be used.

Installation: Mounted directly to the roof structure with an additional batten using screws.

Safety: The product is not intended for consumption, avoid contact with eyes, in case of skin irritation consult a doctor.

Storage / transport: The product should be stored in dry, covered rooms, free from moisture and direct UV radiation. Under heavy load, the product may deform, bend, or damage the galvanized and painted coating. Therefore, it is recommended not to stack the product with other heavy items (both during transport and storage). Transport should be carried out in covered vehicles, secured against damage. During transport, applicable transport safety regulations must be observed. The product must be protected from the effects of chemicals, in particular solvent-based substances, as they may reduce its technical performance or cause permanent damage.

The product is covered by a warranty on the condition that the guidelines specified in the technical data sheet are strictly followed. The manufacturer reserves the right to refuse warranty claims in case of non-compliance with the given instructions.

Contained information, advice and guidance is given based on our knowledge, researches, experience and in good faith. We are not responsible for the consequences of improper or incorrect use of our products. Each user of this material will ensure in every possible way, including an examination of the final product in the relevant conditions, the suitability of supplied materials to achieve the objectives pursued by him.
