

TECHNICAL DATA SHEET

Eurovent **SUPPORT UNI**

The Eurovent[®] SUPPORT UNI bracket is a component for installing a chimney walkway holder and a chimney step. Made of hot-dip galvanized steel sheet. The universal model enables installation on flat roofing surfaces. Supplied as a set with screws, in a powder-coated version.

PARAMETER	UNIT	VALUE
Material composition		Steel grade S235JR
Type of covering		For flat roofing surfaces
Paint coating thickness	[µm]	≥ 60
Corrosion protection		Hot-dip galvanized
Zinc coating thickness	[µm]	≥ 55
Colour	[RAL]	Galvanized, brick 8004, brown 8017, brown 8019, anthracite 7016, graphite 7024, black 9005, cherry 3004, chestnut 3009, cherry 3011
Package weight	[kg]	approx. 10
Bracket weight	[kg]	approx. 0.9
Packaging	[sztuk]	10

* on request

Eurovent **SUPPORT UNI SUPPORT UNI**

Application: The Eurovent[®] SUPPORT UNI bracket is used as a roof communication element, enabling the proper installation of the Eurovent[®] PLATFORM chimney walkway or the Eurovent[®] STEP chimney step on flat roofing surfaces. When installing the chimney walkway, the universal Eurovent[®] GRIP holder should additionally be used.

Installation: Mounted directly to the roof structure using an additional counter-batten with screws or directly onto the roof decking.

Safety: The product is not intended for consumption, avoid contact with eyes, and in case of skin irritation consult a doctor.

Storage / transport: The product should be stored in dry, covered rooms, free from moisture and direct UV radiation. Under heavy load, the product may deform, warp, or suffer damage to the galvanized and painted coating. Therefore, it is recommended not to stack the product with other heavy items (both during transport and storage). Transport should be carried out in covered vehicles, secured against damage. During transport, all transport safety regulations must be observed. The product must be protected from exposure to chemicals, particularly solvent-based substances, as these may reduce its technical performance or cause permanent damage.

The product is covered by warranty provided that the guidelines contained in the technical data sheet are strictly followed. The manufacturer reserves the right to refuse warranty claims in case of non-compliance with these guidelines.

Contained information, advice and guidance is given based on our knowledge, researches, experience and in good faith. We are not responsible for the consequences of improper or incorrect use of our products. Each user of this material will ensure in every possible way, including an examination of the final product in the relevant conditions, the suitability of supplied materials to achieve the objectives pursued by him.
